

BAOLIN ZHANG

651 Wellington Dr, Dyer, IN, 46311

Tel: 219-455-3651

Email: baolin0503@gmail.com

OBJECTIVE

Highly motivated, self-disciplined graduate student with mechanical engineering background, looking for a responsible position which will provide challenge and freedom where I can bring my initiative into full play.

EDUCATION

Dec 2014 **Purdue University, Hammond, IN, USA**
Master of Science: Mechanical Engineering

May 2013 **Beijing Jiaotong University, Beijing, China**
(4th year in Purdue University, Hammond, IN)
Bachelor of Science: Mechanical Engineering

2011 **I-Shou University, Kaohsiung, Taiwan**
Studied at I-Shou University as an exchange student for half year

Relevant Courses: Computational Fluid Dynamics (CFD), Mechanics of Materials, Engineering Economics and Project Management, Advanced Structural Mechanics, Advanced Engineering Economy, Quality Control, Materials Surface Engineering, Comprehensive Practice of Modern Design and Manufacturing,

SUMMARY OF SKILLS

- Microsoft Office (Word, Excel, PowerPoint), AutoCAD, Fluent, Ansys
- Great passion on learning and pleasant character with positive working attitude
- Cooperative team member

EXPERIENCE

Beijing No.1 Machine Tool Plant and Beijing Hyundai Motor Company, China, summer 2011 (Internship)

- Learn the manufacturing process of automobile
- Master the automation technology

Beijing Jiaotong University, China, summer 2010 (Internship)

- Manufacturing practice in university owned factory focusing on metal processing
- Mechanical design practice

ACTIVITIES

Officer, Chinese Student Association, Purdue University, 2012-2013

- Organized some successful Chinese traditional festival parties and dance leader
- The best cookery, Chinese cooking competition, Purdue University, 2012**

LANGUAGE

Chinese (Native)

Taiwanese (Dialects)

English (Fluent)
